SKATE CANADA MEMBERSHIP FEES

Northern Lights School of Skating is a Skate Canada Sanctioned skating school. Anyone who registers with a Skate Canada club or skating school requires mandatory Skate Canada Membership. This entitles you to a Skate Canada Membership Number which gives you access to the Members Only Section of the Skate Canada website and also provides insurance. Please visit www.skatecanada.ca for more information.

The Skate Canada Membership Fees of \$61.70 is Non-Refundable and covers all programs which fall within the current skating season – from September 1st to August 31st of that registration year.

All on-ice participants including parents and program assistants are required to register.

CHANGING PROGRAMS

Note it is the discretion of the Director – Ashley Cumming – whether or not a skater should move to another level/program/group.

Any skater, who during the course of the season moves to another level, **may be required to pay a pro-rated fee**. In this circumstance, an invoice will be created in your account and emailed to you for payment. Payment options for this are as listed above in the Payment Option Section.

For skaters who are moving to another program of lesser registration fees, a credit will be applied to your family account.

ICE CANCELLATION

The Northern Lights School of Skating reserves the right to change, cancel or reschedule any sessions, depending on the number of registrants. There are occasions when the club must make changes to the schedule. Please check the schedule posted on the website, team reach App, and check the facebook page (Northern Lights School of Skating) regularly as any changes will listed here. Should a session be cancelled due to weather or other unforeseen reasons, the Northern Lights School of Skating will work with the arena manager to try to reschedule the sessions but it not guaranteed. In these situations Northern Lights School of Skating will not be responsible for lost ice time and refunds will not be available for missed sessions.

STARSKATE & PRESTARSKATE REGISTRATION

All fees for Assessments, Testing, Lessons and competitions are separate from our regular registration fees.

STARSKATE - All fees for lessons are costs separate from our regular registration fees and will be billed directly by the coach and must be paid directly to the coach in a timely manner.
